

REDaction

Introducing the World Famous REDaction Extravaganza that is the Christmas Party.

1989 the end of the decade that many feel was the greatest of the twentieth century. It was a decade of dodgy fashions, suspect music, and even worse haircuts (Charlie Nicholas anyone?). However it was a good decade to be a Gooner. In fact some would say that 1989 was the best year ever to be a Gooner, especially the night of the 26th May. Whether you were there or watching it in your front room, or maybe you were still a glint in your dad's eye, why not come along and join us and party in an 80's stylee?

Time, Date & Location: From 6pm till 11pm, Sun the 21st December (after the Liverpool game). In the Rocket Bar Complex on the Holloway Road.

Theme: With it being the 20th anniversary of the 1988/89 season, what else could we have other than a 1980's yellow & blue theme night? So make sure you turn both the stadium & the party yellow in honour of that great '89 squad on the 21st Dec.
